

# Support Our Students

Under the crisis of COVID -19, Chinese International students are facing unexpected challenges on their travel, visa, study, work and as well mental wellbeing. Centre For Holistic Health is providing free supports for Victoria's students who are stranded in China or other countries, and those who undergo 14 days quarantine in Victoria.

Free supports

- Counselling via WeChat /online / phone
- updated official government information
- assist to purchase and deliver daily necessities
- referral of community services and resources
