GENDER EQUALITY WORKSHOP

Gender equality has been a universal value embedded in our society. Women and men pursue the same opportunities, rights and obligations in all spheres of life.

Have you ever thought about what gender equality is and why do we need it? Do you know how to support our friends or family treated unequally due to their gender identity? Join this workshop, and we can explore this topic together and brainstorming ideas!

Workshop activities:

- Background of gender identity and cultural implication
- Understanding gender stereotype
- Introduction to key definition of sexism speech
- short-film watching
